360° Ready: Spark 2026 Sponsorship Invitation

For more than a decade, the Spark Women's Leadership Conference has ignited growth, ambition, and leadership across Northern BC. What began as a bold idea from local business leaders, executives, entrepreneurs, and future-focused professionals has grown into a transformative movement—one that brings world-class professional development *home*. Spark was built on the belief that women in the North deserve access to the same high-calibre training found in major centres, without the barriers of travel, cost, or time away. Hosting Spark in Fort St. John keeps leadership development close, relevant, and rooted in the strengths of our region.

As we look ahead to Spark 2026, we are excited to unveil this year's theme: **360° Ready: Thrive at Every Angle**—a powerful call to equip women with the clarity, confidence, and adaptability needed to lead in a world that's constantly shifting. To be **360° Ready** is to develop the mindset, skillset, toolset, and reset strategies that allow leaders to meet challenges from every direction and turn each opportunity into an advantage. This year's program will guide participants through these four dynamic dimensions, strengthening how they think, what they know, what they use, and how they sustain themselves, so they can lead with purpose, resilience, and impact in every environment.

Spark is more than a conference. It fuels personal transformation, elevating workplace performance, and strengthening the leadership capacity of our entire region. By bringing high-impact training to Northeastern BC, we ensure that growth opportunities stay accessible to the talented, driven women who are shaping our industries, organizations, and communities. Participants leave Spark with practical tools, real-world insights, renewed confidence, and meaningful connections that lift both their careers and the success of our region.

We are pleased to offer a range of sponsorship opportunities for Spark 2026, each thoughtfully designed to provide meaningful visibility, strong recognition, and unique ways to engage with our incredible community of leaders and learners. We understand the significance of your investment, and we are committed to delivering exceptional value and a memorable, purpose-driven partnership experience.

Why Your Support Matters

To our returning sponsors: Your unwavering commitment has been the backbone of Spark's success for over a decade. Your belief in this conference has empowered thousands of women to grow, lead, and create lasting impact across our region. Thank you for standing with us. We invite you to join us again in shaping another transformative year.

To our new sponsors: Spark 2026 is an opportunity to align your organization with a movement that champions local talent, accelerates growth, and sparks innovation. Your partnership will directly support professional development in our community, creating meaningful and lasting impacts for participants and their workplaces.

Join us in shaping a region that's 360° Ready.

Sincerely,

Carolynn Oliver

Angel Sponsorship **\$500 **Sold 12/12****

Welcome to our Angel Sponsorship Program, designed to provide conference registration to individuals who, due to economic circumstances, would otherwise not be able to attend the Spark Conference. Applications for Angel Sponsorships will be accepted for consideration and disbursed accordingly to those selected. Angel Sponsors will receive a breakdown of recipient data, i.e., how many Angel attendees, as well as demographic breakdown.

Community Sponsorship **\$500-\$1000**

Community Sponsor, with contributions ranging from **\$500 to \$1,000**.

What Your Support Means

Every dollar we receive helps us create the best possible Spark Women's Leadership Conference. Community Sponsorships will be pooled together to support an area of the conference that has not yet received full sponsorship, ensuring that all aspects of the event receive the funding they need.

Sponsorship Benefits

Community Sponsors will receive:

- Logo promotion across multiple platforms (website, mobile app, on-screen display during intermissions, and in the conference program).
- Pre-event marketing inclusion on our social media channels (Facebook, Instagram, and LinkedIn).

Flexible Sponsorship Options

If you can contribute more than \$1,000, but we do not have a sponsorship opportunity available at that exact amount, we will ensure you receive the benefits of the sponsorship tier that best matches your contribution, whether that's Partner, Gold, Silver, or Bronze.

Why It Matters

Your support helps us remove barriers to leadership development, ensuring that women in our community have access to high-quality professional growth opportunities. By contributing as a Community Sponsor, you are directly investing in the future success of women in Northeastern BC.

Would you like to explore how this sponsorship aligns with your organization's goals? Let's connect!
